Copy snapshot Info

Copy a snapshot from one AWS Region to another, or within the same Region.

Source snapshot

The original snapshot that is to be copied.

Snapshot ID

 snap-07842aece797b8c47 (Test)

Region

us-east-1

Snapshot copy details

Description

A description for the snapshot copy.

[Copied snap-07842aece797b8c47 from us-east-1] Test Snapshot

255 characters maximum.

Destination Region

The Region in which to create the snapshot copy.

ap-south-1
